ABOUT ESE

The European Supervisor Education Initiative (ESE) is an alliance of central banks and supervisory authorities in Europe with the objective to further qualify financial supervisors in Europe. Its members are Bank of Slovenia, Banque centrale du Luxembourg, Czech National Bank, De Nederlandsche Bank, Deutsche Bundesbank, German Federal Financial Supervisory Authority and Oesterreichische Nationalbank.

ESE is committed to high level training based on uniform standards to enhance financial supervisors' knowledge and skills and to promote a common European supervisory culture and practice. The initiative offers a modular seminar programme for banking, insurance and securities and markets supervisors, financial stability analysts and economists from central banks and supervisory authorities in Europe.

ESE is always open to new members or cooperations. Any contribution by European central banks, supervisory authorities or other institutions in the field of financial supervision sharing the idea that training is crucial to the success of financial supervision is highly appreciated.
